

NHS STUDENT VOLUNTEER OPPORTUNITY

Join our “Barketing Team” as an Adoption Caseworker

Get your volunteer hours by repping a dog who needs a home.

We transport many of our dogs to areas where adoption demand is higher than here in Ellis County. To get them adopted, we need great storytelling, real-life experiences, and strong visibility.

That’s where *you* come in.

WHAT YOU’LL DO

- 📷 Take great photos (fun, candid, personality shots)
- 🐾 Spend time with your dog in new places
- 🌍 Help them stand out to out-of-state adopters
- ✍️ Write, post, and manage creative PetFinder bios
- ☎️ Help check references for applications
